## The Waterfall in Mount Lu Viewed from Afar

诗人：李白 Poetry by Li Bai

译：许渊冲 Translated by Xu Yuanchong

日照香炉生紫烟，The sunlit Censer Peak exhales incenselike cloud;

遥看瀑布挂前川。Like an upended stream the cataract sounds loud.

飞流直下三千尺，Its torrent dashes down three thousand feet from high,

疑是银河落九天。As if the Silver River fell from the blue sky.
